Scratching objects is a natural behavior in cats. They do it as a form of exercise and to mark their territory. Lately, we had noticed a lot people in the
Welcome to Northeastern Veterinary Care Center (NEVCC). Northeastern Veterinary Care Center (NEVCC) is now open to serve Mystic, CT and surrounding areas. We are dedicated to providing the highest level of veterinary medicine along with friendly, compassionate service. We believe in treating every patient as if they were our own pet, and giving them the same loving attention and care. We are a group of highly trained, experienced animal lovers who are devoted to giving our patients the best care possible. If you have any questions about how we can care for your pet, please don't hesitate Veterinary Medical Center of Clayton is a full service animal hospital and will take both emergency cases as well as less urgent medical, surgical, and dental issues. Our veterinarians are experienced in all types of conditions and treatments. Beyond first rate pet care, we make our clinic comfortable, kid-friendly, and a very calm environment so your pet can relax in the waiting room and look forward to meeting his or her own Forest Park veterinarian. We have a number of resources for you to learn about how to take better care of your pets. Browse around and look at our articles and pet video.
